

## CHIANTI & MORE

### PANZANO IN CHIANTI (Province of Florence)

Ref. 359

The winery is located within the most enchanting vineyards of the CHIANTI CLASSICO area about 4 km from Panzano in Chianti.

The estate's origins date back to the year 1427 and it is now owned by a family who always pays the greatest attention to the quality of their products (wines, olive oil, grappa). In 1998 the estate obtained the recognition as an Organic Farm.

Now the winery offers three nicely furnished and comfortable apartments from where the guests are able to observe the work at the estate, but enjoy also complete privacy and quiet. The views onto the vineyards, olive groves and the medieval town of Panzano in Chianti are spectacular. The apartments and the pool were finished recently!
